SCHOOL REOPENING

We are excited to announce the reopening of NPS Varthur for the academic session 2025-26. Welcoming students from Pre-Primary to Grade 8. The first day was filled with cheerful smiles, curious minds and the joy of new beginnings. As we begin this journey together, we look forward to a year of meaningful learning, growth and lasting memories.

INTERNATIONAL YOGA DAY

International Yoga Day was celebrated with great enthusiasm across all grades at our campus, bringing students together. The event featured vibrant posters, coordinated sessions and students actively participating with energy and interest. Their spirited involvement and encouragement of peers reflected a shared commitment to building a healthier, mindful nation through yoga.

ECO-EARTH DAY

Eco Earth Day was celebrated with the creation of a charming Eco Village on campus, beautifully depicting the simplicity and harmony of pastoral living. Children engaged in hands-on activities that brought them closer to nature—feeling the soil, exploring sustainable practices and experiencing the rhythm of rural life. The day was filled with joy, wonder and a deepened appreciation for our Earth and its gentle ways.

FATHER'S DAY

Father's Day was celebrated with great joy and excitement, creating unforgettable memories for both students and their Super dads. The event featured lively performances including skits, dances, drawings and fun-filled games, all led by the children with heartfelt enthusiasm. It was a delightful session that brought smiles, laughter and a beautiful bonding experience for all.
