EPIC EQUATION CLASH

Math Day 2025 exploded with mathematical marvels on December 5th, captivating students from Grade 1 to Grade 8 through quizzes, and challenges. Young explorers discovered math igniting lifelong love for numbers!

KINDNESS GOLDEN HOUR

Our tiniest stars in pre-primary lit up Gratitude Glow Week with golden hand-print hearts, sparkle thank-you cards for teachers and friends, and hug circles sharing "I'm thankful for..." During circle time this golden gesture fiesta ended with a blowing thank-you parade, filling our little ones' hearts with shimmering joy and smiles that glowed brighter than fairy lights!

CHRISTMAS CELEBRATION

Ho Ho Ho! Santa Claus zoomed into our Varthur campus on December 24, 2025, turning an ordinary Wednesday into the most beautiful Christmas wonderland. With his twinkling sleigh packed with goodies, Santa led tiny elves in red hats through carol sing-alongs, a dazzling nativity plays, and a tree-lighting ceremony where every child hung their handmade ornaments.

GOD'S OWN COUNTRY

Our school students ventured to Kerala for an unforgettable excursion, immersing themselves in its breathtaking backwaters, spice plantations, and cultural heritage sites. They gained valuable insights into biodiversity, traditional crafts, and environmental conservation. The trip sparked enthusiasm and camaraderie, leaving everyone with cherished memories and fresh perspectives.
