KANNADA RAJYOTSAVA

Kannada Rajyotsava 2025 was joyfully celebrated by Pre-Primary to Grade 8 students with vibrant dance performances and engaging activities. The Pre-Primary children performed traditional folk dances in colourful attire, showcasing Karnataka's cultural richness through movement and music.

CHILDREN'S DAY CELEBRATION

"Children are experts at turning ordinary days into unforgettable adventures." Children's Day at our branch, from Pre-Primary to Grade 8, turned into a hilarious No Book Day as bags felt lighter, smiles grew bigger, and even the timetables looked confused. Classrooms buzzed with funny skits, energetic dances, and wacky games, making it a day where the only homework was to laugh louder and have as much fun as possible.

SAMAY CHAKRA

The Annual Day celebration at our branch, themed "Samay Chakra," was a vibrant showcase of time's journey, brilliantly brought to life with the use of colourful and effective props. Students from Pre-Primary to Grade 8 mesmerized the audience with dynamic dances, thoughtful skits and engaging narrations that were enhanced by the vibrant visual elements on stage. The event was further elevated by the esteemed presence of our chief guest, Dr. K.P. Gopalkrishna, Chairman of NPS Group of Institutions, whose participation added prestige and joy to the occasion. The creative use of props made the performances more impactful, creating an energetic and memorable atmosphere for all attendees. This celebration was a true testament to the talent and dedication of our students and teachers alike.

CONSTITUTION DAY

Our Constitution Day celebration for students from Grade 3 to Grade 8 was both educational and inspiring. The students performed meaningful dances and instrumental music that reflected the values and principles of the Constitution. These performances helped them appreciate the significance of the Constitution in safeguarding our rights and promoting unity in diversity.
