MUN

The Model United Nations (MUN) session on the Sustainable Development Goals (SDGs) provided students from Grades 7–9 with a valuable opportunity to experience diplomacy, debate, negotiation, and collaborative solution-building. Engaging with pressing global challenges, our young delegates presented diverse perspectives, participated in informed discussions, and proposed solutions while strengthening their critical thinking, communication, research, teamwork, and decision-making skills. The session encouraged students to articulate their views confidently, listen respectfully, negotiate constructively, and develop a broader understanding of global issues, nurturing them as responsible and informed global citizens.

ADHYAPAN

The Adhyapan Session offered students an engaging and interactive way to explore the concepts of 'More and Less' and 'Tall and Short' through hands-on learning experiences. Students enthusiastically participated in activities, making comparisons, observing differences, and discovering how these concepts can be understood in an organised and meaningful manner. The session also encouraged peer learning, with older students sharing their knowledge and guiding the younger learners with patience, care, and dedication. The joyful exchange of ideas made learning enjoyable while fostering curiosity, collaboration, and confidence.

SST DEBATE

Our young parliamentarians from Grades 3–5 stepped beyond textbooks through the SST Constitutional Debate, exploring important topics related to the Constitution, rights, duties, equality and democracy. Through thoughtful arguments, counterpoints and rebuttals, students presented their views with confidence, listened to diverse perspectives and developed the skills of critical thinking, respectful discussion and informed decision-making.

PATRIOTIC DAY SPECIAL ASSEMBLY

The Pre-Primary to Grade 2 students celebrated a vibrant and meaningful Patriotic Day, embracing the spirit of love, pride, and respect for our nation. The celebration featured a powerful and inspiring patriotic talk that encouraged our young learners to understand the values of unity, courage, responsibility, and love for India. Adding colour and energy to the occasion, the students enthusiastically participated in various activities, including patriotic songs, dances, speeches, role plays, and creative presentations. Their innocent yet spirited performances beautifully reflected the essence of patriotism and reminded everyone that the love for our nation begins with small hearts and grows through every good deed.

INDEPENDENCE DAY

Our Independence Day celebration was made truly special by the presence of Amogha Sambayya Hiremath as our esteemed special guest. A young orator, writer, Mallakhamba practitioner, and passionate advocate for Indian culture, Amogha inspired our students with his remarkable journey of discipline, dedication, patriotism, and service. His words and achievements encouraged our students to embrace our rich heritage, nurture a strong sense of national pride, and strive to contribute meaningfully to the nation. His inspiring presence added great significance and enthusiasm to our Independence Day celebrations.

BEYOND OUR CAMPUS, INTO THE SPOTLIGHT!

We at NPS Varthur are delighted to congratulate Ridhi Hosur (UKG-C) on securing 2nd Position in Doodle Art at Delhi Public School, Electronic City. Her creativity, artistic expression, and dedication have brought great pride to the NPS Varthur community. It is heartening to see our students step beyond the campus, showcase their talents on wider platforms, and earn accolades for themselves and their school.

A KALEIDOSCOPE OF CULTURE: CELEBRATING ONAM!

The Onam Celebration at NPS Varthur was a vibrant display of culture, colour, and togetherness. Students brought the festive spirit alive through graceful traditional dances, while beautiful Pookalams added charm and colour to the school premises. The celebration offered a joyful glimpse into Kerala's rich cultural heritage, creating a warm and festive atmosphere for everyone.

DANCING THEIR WAY TO THE PODIUM!

Our talented dancers made us proud at the SONIQ Western Dance Competition, held at NPS Marathahalli, with an energetic and captivating performance that earned them an impressive Third Prize along with a cash prize. Their enthusiasm, coordination, dedication, and dynamic stage presence truly stood out, reflecting their passion for dance and commitment to excellence. A well-deserved achievement—congratulations to our young performers for dancing their way to success!

GAME ON! FOUR HOUSES, ONE SPORTING SPIRIT!

The Inter-House Sports Competition brought an electrifying spirit of teamwork, competition, and sportsmanship to the campus, with Volleyball, Football, and Cricket taking centre stage. Students from all four houses participated with tremendous enthusiasm, giving their best on the field and displaying determination, skill, discipline, and team spirit. Every match was filled with energy, excitement, and healthy competition, as our young athletes played with passion and pride, making the event a memorable celebration of sporting excellence.

WHERE STILLNESS MEETS STRENGTH!

Our young yogis turned strength into stillness and discipline into grace at the Inter-School Yogasana Competition held at Vishwavidyapeeth Vidyalaya, earning an impressive Third Position. With remarkable balance, unwavering focus, controlled movements, and a calm determination, they demonstrated that true excellence lies not only in performance but also in patience, perseverance, and inner harmony. A commendable achievement that reflects their dedication to the art of yoga and their pursuit of excellence.
